Monday, October 20, 1952

49 Lots

**FROM ONE
OF THE BEST
HERDS IN
ILLINOIS**

AIR RAID MARSHAL

The best evidence that the cattle in this sale are the right kind to buy is the fact that they have helped to pay for the farm upon which they have been maintained.

General Information

TIME—Monday, October 20, 1952. Sale will start promptly at 12:30 p.m. (Central Standard Time.)

LOCATION—The sale will be held at Britomac Farm, Armington, Illinois, owned by Carl D. McKenzie. Go west from McLean, Illinois, 5 miles on paved highway 136 to the Britomac Farm sign. Then turn north 2 miles to farm. McLean is on the main line of the Gulf, Mobile and Ohio Railroad from Chicago to St. Louis.

TERMS—The terms of the sale are cash unless other arrangements are made with the owners before the sale commences and the sale manager is notified of the arrangements. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but we will attend to loading on cars or trucks in compliance with instructions from the purchasers.

HEALTH—This herd is Federally Accredited for Tuberculosis. All female calves born in this herd have been calfhood vaccinated since 1943. All adult animals have been tested for Bang's Disease within 30 days of the date of this sale. Health certificates will be provided on sale day.

GUARANTEE—The cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Carl D. McKenzie goes one step further, however, and guarantees that EVERY ANIMAL, REGARDLESS OF AGE, WILL PROVE A BREEDER. A provision of this guarantee is that notice of failure to breed shall be given within six months of the date of this auction sale.

The guarantee and terms printed in this catalog shall constitute a contract between Carl D. McKenzie and the buyer of each lot. Neither the Sale Manager nor the clerk of the sale assume any liability, legal or otherwise.

CERTIFICATE OF REGISTRY—A certificate of registry from the American Shorthorn Breeders' Association Herd Book will be furnished with each lot sold and the certificate will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished for each calf sold at foot beside its dam and for each unborn calf sold in dam.

MAIL BIDS—Those wishing to buy at this sale who cannot arrange to be present may send their bids to the Sale Manager, Hal Longley of The Shorthorn World, 16 South Locust Street, Aurora, Illinois; Don Longley of The Shorthorn World; Allan C. Atlason, American Shorthorn Breeders' Association, 7 Dexter Park Avenue, Chicago 9, Illinois; Dale Baird of the Drovers Journal, or Tom Sherlock of Wallaces' Farmer.

AUCTIONEERS—Hamilton James, H. P. Miller, Joe Moore.

SALE MANAGER—Hal Longley, 16 South Locust Street, Aurora, Illinois.

NOTE—We will not be responsible for any accidents that may occur but we will make every effort to provide for the safety and comfort of our guests. Lunch will be served at the farm prior to the sale by ladies of a local organization.

This picture shows a few of the cows and heifers that are to be sold. They are in exactly the right flesh condition to do the best job for those who buy them. The bull in the picture is Ascreavie Priam, a second prize winner in one of the strongest classes at the 1950 International.

Greetings!

The Britomac herd was founded in 1920 and has been maintained continuously ever since. Nothing I have ever undertaken has given me more pleasure than my Shorthorn herd and no branch of my farming operations has proved more profitable. During the thirty-two years of its existence we have followed the plan of never allowing the herd to grow larger than could be accommodated comfortably on our farm. Always our aim has been quality rather than numbers and always we have grown sufficient feed and had sufficient room for the proper development of each calf. I intend to remain on Britomac Farms as long as I live and I intend to continue breeding Shorthorn cattle as long as I live. However, I have reached the time when my load must be lightened. Approximately one-fourth of the herd. . . a member or two of each family. . . will remain on the farm and the balance will be offered in this sale. I prefer to allow those who attend to form their own opinions of the quality of the cattle. The only statement I am prompted to make in this greeting is that Mrs. McKenzie and I are very proud of the cattle we are going to offer and equally proud of the farm which these cattle have helped us to maintain. We hope you will be with us at Britomac Farm on October 20th.

CARL D. McKENZIE.

Here are the Britomac kind. They are the kind that wear their pedigrees on their backs. They are the kind that help pay for the land on which they graze.

The last Britomac herd reduction sale was held in September of 1948. Of the forty-two head sold not one was returned for failure to breed. Prices were moderate and every animal made good for the buyer.

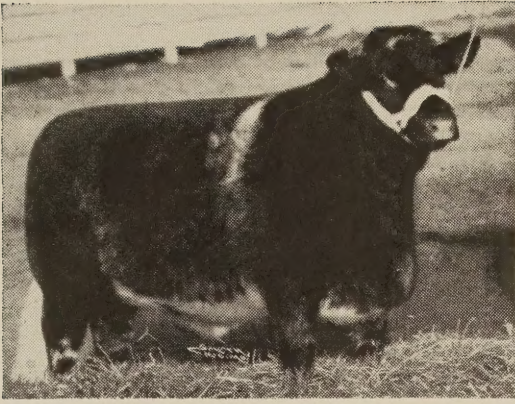

These five daughters of Air Raid Marshal are all included in this auction sale. They are correct in type and have the character and quality that will insure successful reproduction.

A word from the Sale Manager . . .

I wish there were more herds like the Britomac Herd because such establishments are truly the backbone of our breed. Carl McKenzie has been much more than a multiplier of cattle. . . he has been a constructive breeder in every sense of the word. Never has he sacrificed quality for mere numbers. Always he has culled closely and held the herd to a size commensurate with the capacity of his farm. Early in his career he decided on a type and he has adhered to this type. Also, before the herd was many years old he recognized that certain families were proving more prolific and profitable than others and he concentrated on these families. Today's sale offering is the result of just such careful planning. Carl McKenzie's name is a good name to find in a pedigree because he has intensified those characteristics that insure the reproduction of good type and good quality.

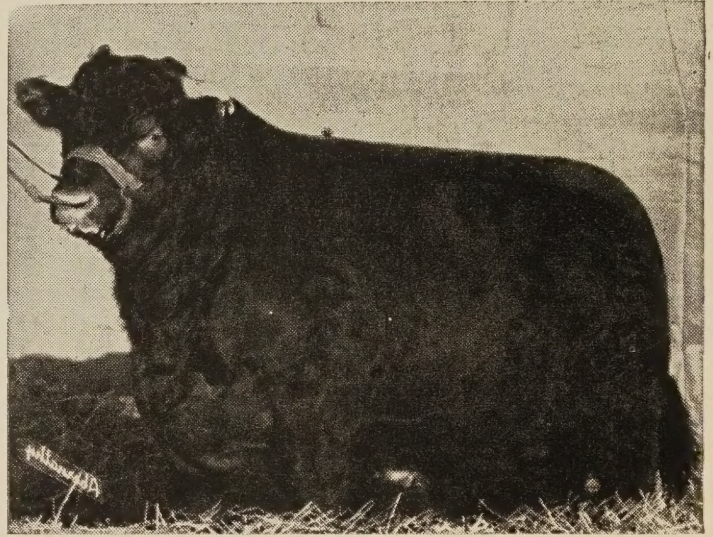

I was immensely pleased with the 1952 Britomac sale cattle when I inspected them early in September. That they will prove profitable to those who buy them there can be no doubt.

HAL LONGLEY of The Shorthorn World.

Left—We show this picture of Sni-A-Bar Nonpareil Gem because Carl McKenzie selected her many years ago as the ideal type. He purchased her after she had won top honors as a yearling. Two bulls out of her were used in the herd and thus the type was intensified. Through her sons, Britomac Jasper and Britomac Challenger, two-thirds of the cattle in this sale are related to her.

Right—We show this picture of Britomac Edwin because he is a typical Carl McKenzie production. He was produced through the mating of Britomac Jasper with a daughter of Imp. Royal Edwin. He was the top bull in the 1948 Britomac sale and has been used with great success at Hopkins Stock Farm, Granville, Illinois.

Although this is a herd REDUCTION sale, it is important also to remember that it is a herd PRODUCTION sale. Nearly all of the cattle to be offered were bred by Carl D. McKenzie and are sons and daughters of the great sires he has used. The Britomac herd is one of the strongest in Illinois and approximately three-fourths of its members are to be sold in this sale.

— AIR RAID MARSHAL —

His picture appears on the opening page of this catalog. The blood of this imported-in-dam son of Naemoor Marshal will be a most important feature of our sale. We are selling ten of his sons, 22 of his daughters along with 5 cows with his calves at foot and several females in calf to his service. He has been a very successful sire. His sons and daughters are of most approved type and all are easy feeders. Note that Air Raid Marshal is out of an imported daughter of Crichton Air Raid and that his granddam was a daughter of Calrossie Broadhooks Bounty.

ASCREAVIE PRIAM

This is our junior herd bull. He is a son of Imp. Lawton Priam, famous sire in the Ben G. Studer herd and his dam is an imported daughter of Ascreavie Duthie. Three females will have his calves at foot and fourteen other beautiful heifers will carry his service. He is a bull of remarkable depth, shortness of leg and has the head of a great sire. Since his pedigree combines the best blood of Scotland we expect great things of him.

MORPHIE COMMAND

We own this outstanding son of the noted Bapton Commando in partnership with H. C. Page, Vermont, Illinois. We had great faith in him when we bought him and this faith has increased since his calves have reached mature ages. They fulfill our fondest hopes in color, quality, type and character. We are selling one of his daughters and two cows with his calves at foot.

Britomac Golden Victor—Look him over very carefully. We think he is the best two-year-old bull in America. He is perfectly balanced, has a wonderful head, is short legged, deep, smooth fleshed and displays plenty of bone and substance. He has the head of a real breeding bull. Note that he is out of a daughter of Edellyn Campeon Mercury. This bull has been used lightly and is sure. Who will be the fortunate new owner of this great bull?

Britomac Prince Command—Too young to be selling alone but we know some breeder will see an opportunity in this calf to develop his next herd bull. He is a son of Air Raid Marshal, out of a daughter of Morphie Command.

Five Good Reasons for Buying at the 1952 Britomac Sale

1. There are 8 bulls and 22 females in this sale sired by Air Raid Marshal, the best bull ever used in the Britomac herd.
2. Twelve cows will sell with lusty calves at foot. Five of these calves are by Air Raid Marshal, three are by Ascreavie Priam and two are by Morphie Command.
3. Of the seventeen bred heifers, fourteen will carry the service of Ascreavie Priam and three are bred to Air Raid Marshal.
4. The best 2-year-old in America will sell in this sale (See lot 2).
5. Every female calf born at Britomac Farm since 1943 has been pretested clean and calfhood vaccinated.

Bantaskin Augusta 62d—Few of her kind are ever offered for sale. We bought this daughter of Bapton Compensation from Marellbar Farms who had imported her for their own herd. She has produced two very good bulls that are both selling in this sale. She was bred Dec. 25, 1951, to Air Raid Marshal and will have her third calf at foot by sale day. We do not believe many people own better cows than this one.

Britomac Jasper, shown above, is a son of Imp. Millhills Jasper that was used with great success in the breeding herd. His dam was the famous show cow Sni-A-Bar Nonpareil Gem. Two daughters and a good many of his granddaughters will sell in this sale.

Britomac Augusta 17th—As her picture indicates, this senior yearling daughter of Air Raid Marshal is of the right type and has a beautiful head. We are proud of her because she represents a blend of the blood of Air Raid Marshal, Morphie Command and Britomac Jasper, the three greatest bulls we ever used. This heifer was bred April 14, 1952, to Ascreavie Priam and settled on the first service.

Britomac Golden Glow—An exceptionally blocky, white daughter of Air Raid Marshal out of a dam sired by the noted Edellyn Campeon Mercury. She is a full sister to Britomac Golden Victor, the two-year-old bull we are selling in this sale and after you have seen him you will certainly want to own this heifer.

Elmhurst Broadhooks 6th, a daughter of the noted Pittodrie Upright that is a member of our breeding herd. This photo was taken as a calf. She is the dam of Lot 17 in this sale and also the dam of a bull that we are keeping for future herd service.

**Standard Guarantee Endorsed by American
Shorthorn Breeders' Association**

Terms, Conditions, Guarantee

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, are safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
